Events, Gayeties and Personal Activities of

the southern towns of Virginia day, says the Atlanta Constitucalled "Carolina Rose's Courtship and Wedding," and had somewhat the quality of a fortune-telling game. The clevwho designed the novelty sent some two weeks in adpeople who were acquainted. Each couple was carefully selected and the young girl's escort. After the company was small pad was distributed to accompanied with a white and

The hostess then called out a number of questions which referred to this singular the former's parents, Mr. and Mrs. Martin one another as to what was written, pro-

successful answers of the story: The name of the pretty girl, the bride-to-

be of the wedding? Carolina Rose. Is she good looking? An American Beauty.

How did he propose?

What advice did her parents give her in choosing a husband? Marigold.

Did she have many lovers? Which one did she like best? (Mr.) Basil.

What did she say? Sweet William. What did he call her at that time? Whose consent did he have to win?

What priests performed the ceremony? Hazel and Hyacinth

Violet, Pansy and Lily. Who was the best man? Adorus Veenalis. What did the bride wear on her head? Orange flowers. And carry in her hand? Bridal roses.

Who gave her away? Her father, Ionquit-Rose, What decorated the church? What music was played as she walked up

Narcissus. How did the groom salute the bride? What did the friends say on parting from

Where did they make their home? Cape Jessamine. The name of their cottage?

After all the answers were written, the cards were gathered up and three judges appointed who decided the best final treatment of the story, awarding the prize to the couple who had made the hit.

The "Glorious" Reward of Letters.

Zangwill, in June Success. My advice to struggling fellow-scribblers is: If you are blessed with some talent, a great deal of industry and an amount of conceit mighty enough to enable you to disregard superiors, equals and critics, as well as the fancied demands of the public, it is possible, without friends or introductions, or bothering celebrities to read your manuscripts, or cultivating the camp of logrollers, by dint of slaving day and night with Mrs. J. Z. Miller, 2424 North Illinois | for years during the flower of your youth. to attain to fame infinitely less widespread than a prizefighter's, and a pecuniary position which you might, with far less trouble, have been born to.

The Forces of Nature.

Detroit Journal. The great Inventive Genius was very

"Yes," he explained, "I am about to harness the gloaming!" "The gloaming?" we cried in amazement. "The gloaming," repeated the great Inventive Genius. "The subtle but vast force which now finds its only escape in romantic poetry I propose to use for running factories and things." Then he showed us the intricate devices he had constructed. They were exceeding-

After the Struggle.

ly wonderful.

Two rivals tried to win her hand-She said them nay. bade them prove their mettle, and Return some day "When you have gone and done your best, me back to me. And I between you then will choose-I'll give my hand unto him whose I fain would be."

One went to war, and fought and bled In many frays; His fame was widely heralded, Great was his praise. The other went in search of wealth, He toiled and planned. With honor for his stepping stone

He rose until his name was known

Through all the land.

Upon a day they bent their ways Back whence they came: One with his wealth, one with his bays, Their breasts aflame. But neither won the lady's hand. A titled cad

Had got her while they were away.

And, being men who knew things, they

Were glad he had.
